

Experience

Edelman Digital - Chicago, IL
Senior Designer - 06.2008 to Present

Edelman Digital is the digital practice of Edelman, the world's largest privately-owned PR firm. As a member of the design team, I work to strengthen the online brand identity and messaging of demanding clients such as Disney, AXE, Dove, Burger King, Norton, and Dairy Management Inc. My responsibilities include design and art direction on all projects I'm involved in as well as working with team members to complete everything from the initial sitemap and wireframe stages all the way through to final development and launch.

rd | INTERSECT - Chicago, IL
Interactive and Motion Graphics Designer - 10.2006 to 05.2008

As part of a design team, I worked with clients to create interactive and motion graphic pieces to promote their brands and products. I was responsible for all phases of the design process, from initial concepting to final delivery. During my time there, the amount of motion graphics work rd | INTERSECT took on and produced increased significantly.

Oh Yeah...

United States Secret Service

I also once worked for the United States Secret Service. Seriously. It was totally weird and there were a lot of things that went on that I can't really talk about, but it was a lot like most other offices. Except our office had an interrogation room.
